EASY TO FIT

STAIR MATS FOR COMFORT STAIRS

Hamat stair mats are the ideal solution for every stairs:

- Sound reducing
- Anti-Slip
- Comfortable
- Decorative
- Easy to install

Installation advice:

Stair steps should be cleaned carefull & intensive. The surface should be dust,- fat free and should be absolutely dry.

Lay down the stair mats lose on the steps and mark with a pencil the right position.

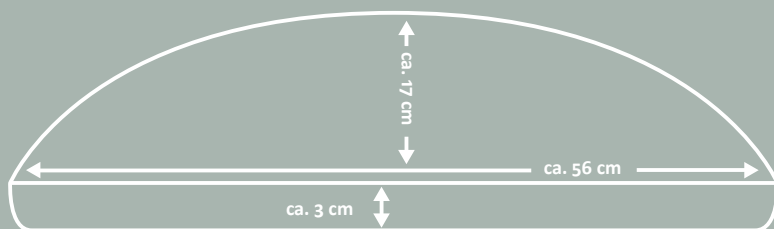

Remove the protection coating off the self-adhesive tape and push the mats on the steps.

The stair mat should adhere directly on the surface.

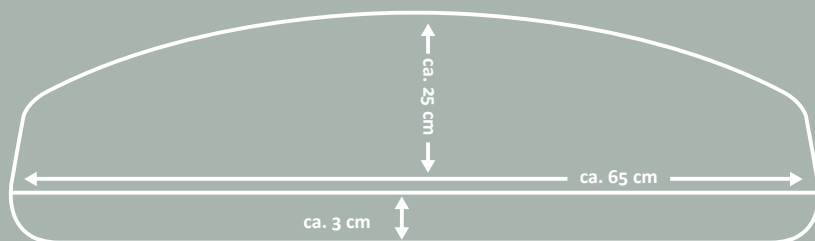

For a perfect adhesion, don't use the stair mats the first 24 hours intensively.

Check the sticking of the mats carefully the first time when you enter the staircase.

For unforeseen circumstances on random locations, we can't take our responsibility.

For round stairs

For straight stairs
